Teams chat interface showing a "Jira Cloud" dialog box. The dialog box is titled "Jira Cloud" and "Create an issue". It contains fields for "Jira site" (m365x060366), "Select project" (Project Tailspin), "Select issue type" (Task), and "Summary" (Review copy). The "Description" field contains the text: "Thank you Lynne. I found minor typos and inconsistencies as well. I'll consolidate our feedback and share in the Design channel. This way we can track all progress on edits in real time." The "Create" button is visible at the bottom right of the dialog box.
